Fiber Optic Disposal Unit

AF-007

Pressure Closure Top

Labelled to prevent accidents

A practical and simple way to dispose tips from cut fibers. Perfect to use on-site. The top has a snap closure to avoid discarded fiber tips out from the disposal. The disposal is labelled to avoid accidents with the sharp tips of optical fibers contained in.

*The fiber optic disposal unit is available as a separate accessory, being part of the **PL-10 Connecting Kit** or part of the **OP-040 Fusion Extension Kit**, which in a suitcase includes all the most important tools and accessories to make inexpensive fiber connections.*
