

### Button Cell Production Line

The product line includes: typesetting machine, the positive and negative filling machine, caching machine, the positive and negative combination of machines, plus zinc negative electrode machines, automatic positive electrode into the separator machine, screen shell machines, ink machines.

- Brand:TOB NEW ENERGY
- Item No.:TOB-BPL01-220V
- Order(Moq):1set
- Payment:L/C,T/T,Western Union, Paypal
- Product Origin:China
- Shipping Port:XIAMEN
- Lead Time:7days

## Product Detail

### Button cell production line

## SPECIFICATIONS

### Functional overview

1.The product line includes: typesetting machine, the positive and negative filling machine, caching machine, the positive and negative combination of machines, plus zinc negative electrode machines, automatic positive electrode into the separator machine, screen shell machines, ink machines.

2.According to user's process requirements,design a variety of button production lines and fully automated production lines.

### Functional characteristics

Productivity	20 plate/ min, the fastest up to 3000pcs / min
Power	220V / 50HZ
Air	> 0.4MPa

## PACKAGE AND SHIPPING

- 1 Standard exported package : Internal anticollision protection, external export wooden box package
- 2 Shipping by express, by air, by sea according to customer's requirements to suggest the most suitable shipping mode
- 3 Responsible for the damage during shipping process, change the damage part for free
- 4 Supply with suitable voltage input and power plug according to customer's country requirements.
- 5 Supply with CO, ECO, FORM A, FORM E and any other original certificate for import custom clearance and tax relief.

## SERVICES

- 1 We supply machines with battery technology support.
- 2 We can also supply a full set of materials for lithium battery including polymer battery, cylinder battery, mobile phone battery, EV battery.
- 3 We can also supply a full set of lithium battery equipment for lab research, pilot scale research and production line.
- 4 We can also supply a full set of battery technology for battery design, research and producing.

*We cooperated with each other, and we will do TOP OF THE BEST battery*
